YASH KESHARWANI

Software Engineer | Java | Spring Boot | REST APIs | AWS **E-mail:** yashkesharwani559@gmail.com
Linkedin: https://www.linkedin.com/in/yash-kesharwani-coder/ **Phone**. +91-7489967083

Technical Skills:

Languages: Java, Python, SQL, JavaScript
Frameworks: Spring Boot, Spring MVC, Spring Security, React.js, Tailwind CSS
Databases: MySQL, MongoDB
Tools: Git, GitHub, Maven, Gradle, Docker, Jenkins, Kafka, Redis, Kubernetes, Terraform, Ansible
Cloud & DevOps: AWS, Azure
Concepts: System Design, DSA, OOP, DBMS, REST APIs, SDLC, Microservices architecture, CI/CD

Experience:

Cognizant – Software Engineer I (Jul 2025 – Present)

- Automated Linux infrastructure patching using Azure DevOps, Ansible and Terraform.
- Collaborated with global teams to deliver reliable deployments and resolve production issues.
- Used Git-based workflows and CI/CD pipelines for controlled software delivery.
- Created Automated pipelines for installation of MDPL Collector and its prereuisites on the servers.

Numetry Technologies – Software Developer Intern (Feb 2025 – Jun 2025)

- Built Spring Boot REST APIs and React.js frontend applications.
- Integrated MongoDB Atlas, Firebase and Cloudinary.
- Worked in Agile development and version control using Git.

Projects:

ShareBite – Real-Time Food Distribution Platform
Tech Stack: Java, Spring Boot, Spring Security, React.js, MySQL, JPA, REST APIs, AWS EC2, AWS RDS, Git

- Developed a full-stack web application using Spring Boot and React.js with secure authentication using Spring Security.
- Designed REST APIs, optimized the MySQL database using JPA, and deployed the application on AWS EC2 and AWS RDS.

Enhanced Heart Attack Prediction Model
Tech Stack: Python, Scikit-learn, TensorFlow, Pandas, NumPy, Git

- Developed a machine learning model achieving 92% accuracy using feature engineering, hyperparameter tuning, and cross-validation.
- Optimized data preprocessing and evaluated multiple ML algorithms to improve prediction performance.

Education:

• Shri Ram Institute of Technology	B.Tech(CSE)	CGPA: 8.31	Sep' 21 – Jun' 25
• Model School of Excellence	10th: 93%	12th: 95.2%	Apr' 19 – Apr' 21

Achievements:

- AWS Certified Developer – Associate (DVA-C02) certified.
- Qualified GATE 2025 (CSE)
- 700+ LeetCode problems solved
- Java Gold Badge – HackerRank
- Wipro TalentNext Java Full Stack – 98%
